3-Year Aspiration Statement

- The Navy provides and fosters professional military training and education for all sailors throughout their careers
- Our people are fully aware and possess the skills to use our robust suite of learning technology tools
- Leaders continually leverage existing and emerging technologies to deliver and document the right training to the right sailor at the right time

ANYWHERE

Short-Term Objectives

- Short-Term Objectives
  - One Month
    - Obtain buy in from NPDC/ Center for Service Support
    - Identify NPS Reservist participants
    - Develop project timeline
  - Six Months
    - Deliver curriculum and complete pilot
  - One Year
    - Capture lessons learned and apply across other NPDC Learning Centers and Reserve Centers.

Summary of Specific Action Steps

- One Month
  - Liaise with NPDC & Center for Service Support to get buy in for pilot
  - Identify NPS Reservist and Reserve Center to participate
  - Identify time required to convert curriculum to format for delivery to NPS students
- Six Months
  - Deliver curriculum to NPS Reservists
  - NPS Reservists complete curriculum
- One Year
  - Capture lessons learned
  - Conduct exit surveys with subject participants, instructors, and unit supervisors
  - Compare effectiveness of training received during pilot with that received at school house

Post-Summit Support Needed From…

- CNRF
- NPDC
- Center for Service Support
- YN/PN “A” School
- Reserve Centers/ Activities
- NPS Participants/ Coordinators

Specific Indicators of Success

- Capability to deliver curriculum to reservists at a remote site vice schoolhouse
- NPS student exiting exam scores compatible to results achieved at resident schoolhouse students
- Deliver equivalent training in less time and reduced funding
- Provide qualified reservists to gaining command without using AT to attend schoolhouse

Summary of Impact - Key Benefits of this Pilot

- Demonstrate that NPS can accomplish required ’A’ school rate training at home or Reserve Center with only limit/no time at brick and mortar school house.

- Capture lessons learned that can apply across other NPDC Learning Centers and Reserve Centers.
